Song DedicationActivity

World Teachers' Day is held annually on 5 October to acknowledge, thank and appreciate all teachers who dedicate their effort, time and care to guiding their students to a path of dreams and success.

Our students wrote thank you messages to their beloved teachers and English songs were broadcast in the school campus. Everyone in school enjoyed the heart-warming and loving atmosphere.

The annual World Teachers' Day furnished me with a precious opportunity to dedicate my gratitude to the great teachers who have taught me over the years. Through the event, we have learnt to be grateful to our surroundings, appreciate the people we have met, and acknowledge the hard work teachers have put into teaching. We all should be appreciative. By doing so, we can always stay positive!

CHAT OR TREAT LLOWEEN ACTIVI

Come! Hang out! Chat! Relax and laugh!

The Halloween "Chat or Treat" activity is an activity which encouraged students to converse in English. There is nothing more exciting than dressing up for Halloween "Trick-or-Treating". Our students were thrilled when they put on Halloween costumes, chit-chatting with teachers in English.

I marvel if any of you have played "trick or treat" at Halloween when you were young. Honestly, I was not a fan of it. However, I have changed my mind after a twist.

Last month, our English teachers held an activity called "Chat or Treat". We had the chance to chat with different teachers and know more about them. In addition, we could dress up in Halloween costumes. Most importantly, we practiced a lot in speaking English. It was a great experience for us.

This activity was very enjoyable. I am really grateful for our teachers who have held this fun activity for us. I hope we will have the same activity next year.

Study Tips Posters

Why is it important to learn effectively?
Let's learn how to learn!

The posters showing study tips all around the school campus guide students to study more efficiently and effectively.

With the visual reminders, students are encouraged to plan well for their studies.

The study tips are grinding off real progress, giving me an edge on time management and concentration. My favourite one without a shred of doubt is listening to music. I feel turned on instantly as songs come on. Sometimes, frustration does well up when there are piles of work lying. Music reminds us to take a minute off, and it cleanses our minds for future challenges. I'm down to turn that into a habit.

Sending Christmas Cards to Primary School Teachers

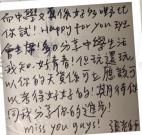

Christmas is a holiday filled with good cheer, joyful decorations, and time with family and friends. To cultivate students' positive values and attitude, S.1 English teachers taught students to write messages and wishes on Christmas cards to their primary school teachers. Students are overjoyed when they received the reply letters and messages from their primary school teachers. We sincerely believe that it is the strong bondina teachers between and students that makes our kids all-rounders, who are devoted to show gratitude and care to people around them.

1B Chan Lok Ki, Jacky

Christmas is a joyful holiday which we celebrate with our friends and families. I am grateful that we can write messages on Christmas cards to our Primary school teachers to show our gratitude for their teaching. I can imagine their happy smiles when they received our Christmas cards.

This year, we celebrated Christmas in a very special way. We put on some lovely costumes and sang with our sweet and gentle voice.

When we sang "We wish you a Merry Christmas" with our smiling faces in the school campus to send our most sincere blessings to schoolmates and teachers, the atmosphere was extremely Christmassy! I am very grateful to have such a precious moment for showing my gratitude to my schoolmates and teachers!

The annual Hong Kong Schools Speech Festival is undoubtedly one of the most important events that lay a foundation in speech for our students who have potential in the public speaking field.

By joining the Solo-verse competitions, not only have participants enhanced their English pronunciation and speaking skills, they have also learnt how to appreciate the beauty of poems. The immersion in the poetic world deepens students' interest in learning and using English.

The public speaking competition provides a precious opportunity to sharpen their writing and speaking skills.

The experience of taking part in the Speech Festival was inconceivably magical. When I was performing, I had a feeling of being the main character of the poem, seeing the fascinating sceneries described in the poem and having my emotions kept changing while reading out the incredibly beautiful poem!

While working on my facial expressions and hand gestures, I

realized that creativity is what the Speech Festival means! There is no such thing as a model answer for tone, style and expressions. I have been inspired to think out of the box and be creative when exploring the world of litera-

資訊科技教學及設施

學教創新 | 資訊科技與時俱進

本校近年推動電子教學不遺餘力,既透過關愛基金資助有經濟困難的學生購買平板電腦,又利用Google Classroom平台統一發放各科教學資源和資訊。學生在疫情期間藉此在家持續學習,配合翻轉課堂的實體課安排,有效加強學生自主學習的積極性。

另外,資訊科技科亦加強支援學生,令他們能更快掌握及適應網上學習的模式。除在課堂利用分組協作活動培養同學解決問題的技巧外,還於校內舉行不同的STEM活動讓同學發揮潛能。透過校外機構來校演講和外出參觀,學生更了解資訊科技的發展,提高學習動機。

去年暑假學校翻新電腦室,引入電子白板,大大加強上課時的師生互動,令課堂更靈活和富趣味。學校 現正規劃於全校課室加裝電子白板,令教學更能密切配合時代發展的需要,學與教更具果效。

班際比賽

在2021-2022學年,輔導組及聯課活動組合作, 為中一至中五級同學舉辦班際比賽「Let's Be Together」,以團隊合作形式進行競技,冀加强 班內的凝聚力和歸屬感。

上學期舉辦了中四級「跳大繩比賽」及中五級「四人五足比賽」。同學在比賽期間表現積極投入,為班別出盡一己之力。活動促進了同學之間的溝通合作,有助與他人建立良好和諧的關係。競技比賽固然不可無求勝之心,但失敗經驗及過程也可貴。真正努力的參與,才能得到令人難忘的回憶,盼望同學都能擁有豐富多彩、快樂而充實的校園生活。

藝術工作坊

同學們為自己的作品增添色彩,展現 不同的情緒感受

青少年面對情緒困擾及壓力時,容易壓抑內心感受及需要。因此,學校期望以表達藝術的形式幫助他們走出情緒陰霾,釋放情緒,而本學年輔導組連同社工為中一至中六級同學分級舉辦不同的藝術工作坊。上學期學校率先為面對公開考試壓力的中六級同學和久違兩年終能回歸全日面授課堂的中二級同學舉辦油畫及和諧粉彩的體驗課堂。

我們希望同學能夠透過不同的藝術活動,嘗試 用輕鬆的方法表達內心感受;同時在專注創作 的過程中,放下累積已久的焦慮以及壓力,學 會平靜心靈,懂得感受生活及反思生命,建立 自我價值,令心靈更健康。

班際環保壁報及標語創作比賽

學校致力共建綠色校園,於本學年九月至十月期間,以「低碳生活」作為主題,舉辦班際壁報及標語創作比賽。各班同學施展渾身解數設計課室內的壁報,並以循環再用的物料去製作。於評審當天,派出各班代表進行即席講解,有條不紊地介紹創作理念,整體表現均獲得高度評價。
